

SnaZio* TVPVR

***DVD QUALITY HARDWARE TV RECORDING**

SnaZio* TVPVR turns your PC into a full-featured Digital Video Recorder (DVR), providing the highest-quality digital recording of broadcast TV and other video sources.

In addition, **SnaZio*** TVPVR provides advanced features such as timeshifting, instant replay, pause and fast-forward for live TV and selectable real-time MPEG-2 compression ranges from DVD-quality for the ultimate performance to VHS-quality for marathon recording sessions.

With the remote control, you can enjoy it all from the comfort of your couch!

Record TV and Video

Watch and convert your favourite TV channels into DVD or VCD.

Remote-controlled TV playback

Enjoy full control and ease of use with the remote control.

Create Digital Video Presentation

Create your own presentation videos, drag and drop them directly to your PowerPoint slideshow

Direct Capture Video, DVD, SVCD, VCD in Real-time

Now you can convert your precious collection of mini DV tapes to playback on VCD and DVD players.
